

Will Young, Cry

will young- cry

verse 1

You can be more than you ever think about
you can be half way, your going no where
i cant responde to your negativity
reframe from leaving your dispare.

bridge

all the things that you did and said to me
you drag me down with your lies and never got to me
all the dreams and all the wasted oportunites cos you played my mind
now its time you better play down the tears and maybe think again
all your fears will be turned it to reality
yea yeah yeah

chorus

you been playing with my mind
when it feels like love is giving you up and your heart starts letting you down and your
down on your own ability cos the blues are coming around
when the world starts spinning cos your down on life
and it feels like theres dirt in your eye
you repeating the word that you scream to me i dont care if u cry

verse 2

so now you find life a little bit tricky ur left to devise this broken in two
does he work for you
now you feel the fool its all because you found a way to ignore your heart

bridge

all the things that you did and said to me
you drag me down with your lies and never got to me
all the dreams and all the wasted oportunites cos you played my mind
now its time you better play down the tears and maybe think again
all your fears will be turned it to reality
yea yeah yeah

chorus

you been messing with my mind
when it feels like love is giving you up and your heart starts letting you down and your
down on your own ability cos the blues are coming around
when the world starts spinning cos your down on life
and it feels like theres dirt in your eye
you repeating the word that you scream to me i dont care if u cry
cry cry cry and you cry cry cry cry cry repeat cry

repeat chorus x 3 and finish
