

Will Young, I Get The Sweetest Feeling

the closer you get the better you look baby
the better you look the more i want you
when you turn on your smile
i feel my heart go wild
im like a child with a brand new toy
chorous
and i get the sweetest feeling
honey the sweetest sweetest feeling
baby the sweetest sweetest feeling
lovin you

the warmer your kiss the deeper you touch me baby
the deeper your touch the more you thrill me
its more than i can stand
girl when you hold my hand
i feel so glad that i could cry

chorous

the greater your love the stronger you hold me baby
the stronger your hold the more i need you
yeah with every passing day i love you more in every way
i would love to stay and i wanna say
