

Will Young, Love Is A Matter Of Distance

(T Christensen)

Love is a matter of difference
Between you and me
Love is a matter of distance
That you are too far away
Love is a matter of growing
And knowing true feelings
Love is a matter of showing
That you are too far away

Chorus 1

When my heart is open
My mind is opening to find
I can't let you stay
The love is a matter of distance
You are too far away

Love is a matter of input
Outlook, deep inside
Love is to know you're on my side
That you are so far away

Chorus 2

When my heart is open
My mind is opening to find
I can't let you stay
The love is a matter of distance
You are too far away

Chorus 3

When my heart is open
My mind is opening to find
I can't let you stay
The love is a matter of distance
But you are too far away

If love is a matter of distance
You are too far away
