

Willie Nelson, A Little Unfair

You want me to love just you
While you love your share
Don't you think that's a little unfair
It's me that stays home
While you stay gone
Till you decide to care
Don't you think that's a little unfair
I can't see how it can be anything for me
What's mine is yours
What's yours is yours
That's how you wanted to be
And you want me to wait for you
Till you decide to care
Don't you think that's a little unfair

(guitar)

I can't see how it can be anything for me
What's mine is yours
What's yours is yours
That's how you wanted to be
And you want me to wait for you
Till you decide to care
Don't you think that's a little unfair
