Willie Nelson, Black Night

Nobody cares about me Ain't even got a friend Baby's gone and left me When will my troubles end

Black night is fallin'
Oh, how I hate to be alone
I keep crying for my baby
But now another day is gone

"Dr. John" "I've got no one to talk with To tell my troubles to Don't even know I'm living since I lost you

Black night is fallin'
Oh, how I hate to be alone
I keep crying for my baby
But now another day is gone"

My mother has her troubles My father has his too My brother's in Korea And I don't know just what to do

Black night, black night is fallin' Oh, how I hate to be alone I keep crying for my baby But now another day is gone
