Willie Nelson, Can I Sleep In Your Arms Tonight

Can I sleep in your arms tonight lady it's so cold lying here all alone And I have no hold to hold on you and I assure you I'll do you no wrong

Don't know why but the one I love left me left me lonely and cold and so weak And I need someone's arms to hold me till I'm strong enough to get back on my feet Can I sleep in your arms... (piano) Can I sleep in your arms... (guitar - harmonica)
