

Willie Nelson, Devil In A Sleepin' Bag

We were headed home in Austin
Caught pneumonia on the road
Taking it home to Connie and the kids
A wheel ran off and jumped a railroad
Then ran through a grocery store

If you want to buy a bus I'm taking bids
And the devil shivered in his sleeping bag
He said traveling on the road is such a drag
If we can make it home by Friday we can brag
And the devil shivered in his sleeping bag

(guitar)

Well I just got back from New York City
Kris and Rita done it all
Raw perfection there for all the world to see
Lord I heard an angel singing
In the Philharmonic Hall
Rita Coolidge Rita Coolidge cleft for me
And the devil shivered...
And the devil shivered in his sleeping bag
