

Willie Nelson, Harbor Lights

I saw the harbor lights
They only told me we were parting
The same old harbor lights that once brought you to me
I watch'd the harbor lights
How could I help if tears were starting?
Goodbye to tender nights beside the silvery sea
I longed to hold you near and kiss you just once more
But you were on the ship and I was on the shore
Now I know lonely nights
For all the while my heart is whispering
Some other harbor lights
Will steal your love from me
