

# Willie Nelson, Have I Told You Lately That I Love

Have I told you lately that I love you  
Could I tell you once again somehow  
Have I told you how with all my heart  
And soul I need you  
Well darling I'm telling you now  
My heart would break in two if I should lose you I'm no good without you anyhow  
Have I told you lately that I love you  
Well, darling, I'm telling you now

( steel - guitar )

Have I told you lately when I'm sleeping  
Every dream that I dream is you somehow  
And have I told you how my every thought  
Is in your keeping  
Well, darling, I'm telling you now  
My world would end today if I should lose you  
Cause I'm no good without you anyhow  
Have I told you lately that I love you  
Well, darling, I'm telling you now
