

Willie Nelson, I Guess I've Come To Live Here

I guess I've come to live here in your eyes.
This must be the place called paradise.
You are so precious to me,
What a special time within our lives.
And I guess I've come to live here in your eyes.

A thousand times I see you
And a thousand times you take my breath away.
Fears and doubts consume me and I'm afraid someone will take it all away.
I hope we're here forever, but I guess it's time that we both realized.
That I guess I've come to live here in your eyes.

I guess I've come to live here in your eyes.
This must be the place called paradise.
You are so precious to me,
What a special time within our lives.
And I guess I've come to live here in your eyes.

A thousand times I see you
And a thousand times you take my breath away.
Fears and doubts consume me and I'm afraid someone will take it all away.
I hope we're here forever, but I guess it's time that we both realized.
That I guess I've come to live here in your eyes.
