

Willie Nelson, I'll Stay Around

I'll stay around 'til it's over.
And hope that it never ends.
Maybe in time, you'll change your mind
And decide to love me again.
I'll just simply refuse to leave you.
Call me stubborn, but I'll never give in.
And I'll just hang around 'til it's over,
And hope that it never ends.

I'll stay around 'til it's over.
And hope that it never ends.
Maybe in time, you'll change your mind
And decide to love me again.
I'll just simply refuse to leave you.
Call me stubborn, but I'll never give in.
And I'll just hang around 'til it's over,
And hope that it never ends.
