

# Willie Nelson, I'll Walk Alone

I'll walk alone where once we wandered it seems so strange since you are gone  
Till you return I'll stay the same dear I'll still be true and walk alone  
By stars above I swear to love you with all the love I've ever known  
While we're apart I'll stay the same dear and when teardrops start I'll walk alone  
( piano )  
The flame of love is brightly burning and you know that I'm your very own  
Each night I pray for your returning but while you're gone I'll walk alone
