

# Willie Nelson, Life Turned Her That Way

If she seems cold and bitter I beg of you  
Just stop and consider all she's gone through  
Don't be quick to condemn her for things she might say  
Just remember her life turned her that way  
She's been walked on and stepped on so many times  
And I hate to admit it but that last footprint's mine  
She was crying when I met her she cries harder today  
But don't blame her life turned her that way  
( piano )  
She's been walked on...  
So don't blame her life turned her that way
