## Willie Nelson, Moonlight Becomes You

Moonlight becomes you It goes with your hair You certainly know The right thing to wear Moonlight becomes you And I'm thrilled at the sight And we could get So romantic tonight You're all dressed up To go dreaming now Don't tell me I'm wrong And what a night To go dreaming Mind if I tag along Moonlight becomes you And I want you to know It's not just because There's moonlight Although moonlight becomes you so

(piano - guitar)
