

# Willie Nelson, Permanently Lonely

Don't be concerned it's time I learned  
That those who play with fire get burned  
But I'll be alright in a little while  
But you'll be permanently lonely  
Don't be too quick to pity me  
Don't salve my heart with sympathy  
Cause I'll be alright in a little while  
But you'll be permanently lonely  
The world looks on with wonder  
And pity at your kind  
Cause it knows that the future  
Is not very pretty for your kind for your kind  
Will always be runnin' and wonderin'  
What's happened to hearts that you've broken  
And left all alone  
But we'll be alright in a little while  
But you'll be permanently lonely  
Runnin' lonely
