

# Willie Nelson, Phases And Stages (Theme)/Walkin'

After carefully considerin' the whole situation  
I stand with my back to the wall  
Walkin' is better than runnin' away  
And crawlin' ain't no good at all

And if guilty's the question  
Truth is the answer  
I've been lyin' to me all alone  
There ain't nothin' worth savin'  
Except one another  
And before you'll wake up  
I'll be gone  
Cause after carefully considerin' the whole situation  
I stand with my back to the wall  
Walkin' is better than runnin' away  
And crawlin' ain't no good at all

( guitar )  
After carefully considerin' the whole situation  
I stand with my back to the wall  
Walkin' is better than runnin' away  
And crawlin' ain't no good at all  
And crawlin' ain't no good at all
