

Willie Nelson, Song From Moulin Rouge (Where Is Your Heart)

Whenever we kiss I worry and wonder
Your lips may be here but where is your heart
It's always like this I worry and wonder
You're close to me here but where is your heart
It's a sad thing to realize that you've a heart that never melts
When we kiss do you close your eyes pretending that I'm someone else
You must break the spell this cloud that I'm under
So please won't you tell darling where is your heart
(guitar)
It's a sad thing to realize...
