

# Willie Nelson, Stardust

Sometimes I wonder why I spend  
The lonely night  
dreaming of a song  
The melody haunts my reverie  
And I am once again with you  
When our love was new  
And each kiss an inspiration  
But that was long ago  
And now my consolation  
Is in the stardust of a song

Beside a garden wall  
When stars are bright  
You are in my arms  
The nightingale tells his fairy tale  
Of paradise where roses bloom  
Though I dream in vain  
In my heart there always will remain  
My stardust melody  
The memory of love's refrain

Though I dream in vain  
In my heart there always will remain  
My stardust melody  
The memory of love's refrain
