

# Willie Nelson, Sugar Moon

(Bob Wills/Cindy Walker)

When it's sugarcane time  
And around about June  
I'll be walkin' with my sugar  
'Neath that old sugar moon

All the lovin' I missed  
I'll be gettin' it soon  
I'll be gettin' it from my sugar  
'Neath that old sugar moon

I can see us right now  
Get the calendar down  
(And) Draw a circle around  
The day we're heaven bound  
When it's sugarcane time  
And around about June  
All the birds will be singin'  
'Neath that old sugar moon

I can see us right now  
Get the calendar down  
(And) Draw a circle around  
The day we're heaven bound  
When it's sugarcane time  
And around about June  
All the birds will be singin'  
'Neath that old sugar moon

When it's sugarcane time  
And around about June  
I'll be walkin' with my sugar  
'Neath that old sugar moon
