## Willie Nelson, Sugar Moon

(Bob Wills/Cindy Walker)

When it's sugarcane time And around about June I'll be walkin' with my sugar 'Neath that old sugar moon

All the lovin' I missed I'll be gettin' it soon I'll be gettin' it from my sugar 'Neath that old sugar moon

I can see us right now Get the calendar down (And) Draw a circle around The day we're heaven bound When it's sugarcane time And around about June All the birds will be singin' 'Neath that old sugar moon
