Willie Nelson, Take My Word

Take my word for what I tell you I have never lied to you Pay no mind to what they're sayin' I have never been untrue Evil tongues in town Continue to prat aloud Their evil news You'll have to take my word When I tell you I love you I love you (I love you)

The power of gossip is always strengthen When it finds a respected ear If you listen the chances are greater That a thread of doubt may appear Evil tongues in town continue...

Evil tongues in town
Continue to prat aloud
Their evil news
You'll have to take my word
When I tell you I love you
I love you I love you
Take my word I love you
Take my word I love you
