

Willie Nelson, Texas Flood

Well it's floodin' down in Texas
All the telephone lines are down
I said it's floodin' down in Texas
All the telephone lines are down
I been tryin' to call my baby
Can't get a single sound

Well the dark clouds are rollin'
And I'm standin' out in the rain
I said the dark clouds are rollin'
And I'm standin' out in the rain
Muddy water keep on rollin'
It's about to drive me insane

Well I'm leavin' you baby
And I'm goin' back home to stay
Well I'm leavin' you baby
And I'm goin' back home to stay
Where there ain't no floods and tornados
And the sun shines every day
