

# Willie Nelson, Till I Gain Control Again

Just like the sun over the mountain top you know I'll always come again  
You know I love to spend my morning time like sunlight dancing on your skin  
And I have never gone so long just for telling lies to you

What you've seen is what I've been

There is nothing that I can hide a few you see me better than I can

Out on the road that lies before me now there are some turns where I will spin

I only hope that you will hold me now till I gain control again

( guitar )

Just like a lighthouse you must stand alone and mark the sailors journey's end

And no matter what sea that I've been sailing on I'll always roll this way again

Out on the road that lies...
