Willie Nelson, Touch Me

Touch me, touch the hand of a man Who once owned all the world And touch, me touch the arms That once held all the charms Of the world's sweetest girl Touch me, maybe someday you may Need to know how it feels when you lose And so touch me, you'll know How you feel with the blues

Watch me, watch the eyes
That have seen all the heartache
And pain in the land
And be thankful you're happy though
Standing so close to the world's bluest man
Don't forget me, take a good look
At someone who's lost everything he can lose
And then touch me and you'll know
How you'd feel with the blues

(guitar)

Don't forget me take a good look...
