

# Willie Nelson, Undo The Right

(Hank Cochran/Willie Nelson)

If you can't say you love me say you hate me  
And that you regret each time you held me tight  
If you can't be mine forever then forsake me

If you can't undo the wrong  
Undo the right

It was right when you loved me only  
But wrong when you held another tight  
So before you go away and leave me lonely

If you can't undo the wrong  
Undo the right

It's too late to say your heart is filled with sorrow  
You can't undo what's done  
Why do you try  
So please so I can face the new tomorrows  
If you can't undo the wrong  
Undo the right

It's too late to say your heart is filled with sorrow  
You can't undo what's done  
Why do you try  
So please so I can face the new tomorrows  
If you can't undo the wrong  
Undo the right

If you can't undo the wrong  
Undo the right
