

Willie Nelson, Waiting Time

This is the waiting time: I wait for you.
While you make up your mind just what you wanna do.
They say that things worthwhile are worth waiting for,
And you're worth so much to me, I'll wait for ever more.

There was a hurting time, I hurt you so;
Then came the parting time, I watched you go.
But you said perhaps, in time, our love could still be.
So this is the waiting time, and I'll just wait and see.

Instrumental.

There was a hurting time, I hurt you so;
Then came the parting time, I watched you go.
But you said perhaps, in time, our love could still be.
So this is the waiting time, and I'll just wait and see.
