

Willie Nelson, We Had It All

I can hear the wind a blowing in my mind
Just the way it used to sound through the Georgia pines
And you were there to answer when I called you and me we had it all
Remember how I used to touch your hair
While reaching for the feeling that was always there
You were the best thing in my life I can recall you and me we had it all
I know that we can never live those times again
So I let my dreams take me back to where we have been
Then I'll stay with you girl as long as I can
Oh it was so good oh it was so good oh it was so good when I was your man
(guitar)
I'll never stop believing in your smile
Even though you didn't stay it was all worth while
You were the best thing in my life I can recall you and me we had it all
You and me we had it all
