

Willie Nelson, Yesterday

(I'd like to do a song now that was recoded by a pretty pearly country group known as The Beatles
But seriously this is the song that as a songwriter myself I appreciate very much and I'd like to do it

Yesterday all my troubles seemed so far away
Now it looks as though they're here to stay oh I believe in yesterday
Suddenly I'm not half the man I used to be
There's a shadow hanging over me yesterday came suddenly
Why she had to go I don't know she wouldn't say
I said something wrong now I long for yesterday
Yesterday love was such an easy game to play
Now I need a place to hide away oh I believe in yesterday
Why she had to go...
I believe in yesterday
