

Willie Nelson, You Don't Know Me

(C. Walker & E. Arnold)

You give your hand to me
And then you say hello
And I can hardly speak
My heart is beating so
And anyone can tell
You think you know me well
But you don't know me

No you don't know the one
Who thinks of you at night
And longs to kiss your lips
And yearns to hold you tight
To you I'm just a friend
That's all I've ever been
No, you don't know me

For I never knew the art of making love
Though my heart aches with love for you
Afraid and shy, I let my chance go by
The chance that you might love me too

You give your hand to me
And then you say goodbye
I watch you walk away
Beside that lucky guy
You'll never, never know
The one who loves you so
No, you don't know me

For I never knew the art of making love
Though my heart aches with love for you
Afraid and shy, I let my chance go by
The chance that you might love me too

You give your hand to me
And then you say goodbye
I watch you walk away
Beside that lucky guy
Who'll never, never know
The one who loves you so
No, You don't know me

You'll never, ever know
No, you don't know me
