

# Willie Nelson, You Left Me A Long, Long Time Ago

You tell me today that you're leaving  
But just think a while  
I'm sure that you must know  
Today might be the day that you walk away  
But you left me a long, long time ago

Today's just the day that ends it all  
Except the usual mem'ries  
That always linger on  
And today might be the day that you walk away  
But you left me a long, long time ago

I stood with helpless hands  
And watched me lose your love  
A little more each day  
Then it was gone  
And I kept wond'rin'  
Just how long until this day would come  
Just how long could your pride keep hangin' on

So please don't say you're sorry  
Don't say anything  
Don't try to say why you must leave  
Just go  
And today might be the day that you walk away  
But you left me a long, long time ago
