

Willie Nelson, You Wouldn't Cross The Street To

Today I stood across the street and watched you leave with him

Right before my disbelieving eyes

And when you saw me standing there you turned away

And you wouldn't even cross the street to say goodbye

Once you said you'd do most anything to keep our love

You'd tear out your tongue before you'd tell me lies

Once you said you'd go to anything to be with me

Today you wouldn't even cross the street to say goodbye

(guitar)

Once you said you'd do most anything to keep our love

You'd tear out your tongue before you'd tell me lies

Once you said you'd crawl on hands and knees to be with me

Today you wouldn't cross the street to say goodbye

Today you wouldn't cross the street to say goodbye
