

WILLOW, t r a n s p a r e n t s o u l (ft. Travis Barker)

I don't fucking know
If it's a lie or it's a fact
All your littel fake friends
Will sell your secrets for some cash
Smile in my face
Then put your cig out on my back
If you ever see me just get running like the flash

I knew a boy just like you
He's a snake just like you
Such a fake just like you
But I can see the truth

Transparent soul
I can see right through just so you know

Transparent soul
I can see right through just so you know
