

# Winans Bebe, Thank You

(BeBe Winans, Rhett Lawrence, Travon Potts)

Thank you Thank you...

The key to my emotions

You keep me going strong

The source of my solution

When things are going wrong

When my life's uncertain

There's no place I'd rather be

Then standing here beside you

'Cause your love always comforts me

Chorus:

Thank you, Thank you

Thanks for being a friend

Thank you, Thank you

Over and over again

Thank you, Thank you

I could never repay

The love you're sending my way, my way

Thank you, Thank you

Something else I wanna tell you

You are my salvation, yes you are

Don't you know you're everything

Set my feet to dancing

When I think of all you've done for me

Chorus

Here and now my heart's proclamation

You are awesome and true

You've been better to me than I've been to myself

Always give thanks to you, to you

Right now I wanna thank you for all that you've done for me

Right now I wanna thank you for taking good care of me

Right now I wanna thank you for all that you mean to me

Right now, right now, yeah, said right now

No doubt about it, I can't live without your love
