

Wings, Wino Junko

Doctor Tom is getting on
All he does is sign his name
I get things my brainbox sings
But I'll go down again

Play with fire, getting higher
Higher than a nine foot flame
My soul is spent and so's the rent
But I'll go down again

Wino Junko can't say no
Wino Junko, eyes aglow
Pill freak, spring a leak, you can't say no
Till you go down again

This and that you crazy cat
Flying sideways once again
I'm in a spin it makes me grin
But I'll go down again

Wino Junko can't say no
Wino Junko, eyes aglow
Pill freak, spring a leak, you can't say no
Till you go down again

Wino Junko can't say no
Wino Junko, eyes aglow
Pill freak, spring a leak, you can't say no
Till you go down again

Till you go down again
Till you go down again
Till you go down

Take what I need until I bleed
People will say I've gone insane
Ain't scared to die, it's such a high
Till I go down again

Wino Junko can't say no
Wino Junko, eyes aglow
Pill freak, spring a leak, you can't say no
Till you go down again

Wino Junko can't say no
Wino Junko, eyes aglow
Pill freak, spring a leak, you can't say no
Till you go down again

Till you go down again
