

Wintersleep, Weighty Ghost

I got out of bed today
Swear to God I couldn't see my face
I got out of bed today, staring at a ghost
Who forgot to float away
Didn't have all that much to say
Wouldn't even tell me his own name
And where'd my body go?

Where oh where'd my body go?
Africa or Mexico?
Oh where'd my body go?
And where'd my body go?

Oh have you seen my ghost? Seen my ghost...seen my ghost?
Oh have you seen my ghost? Staring at the ground
Oh have you seen my ghost? Seen my ghost...seen my ghost?
Oh have you seen my ghost? Sick of those goddamn clouds

Are you some kind of medicine man?
Cut the demons out of my head
You can't kill something that's already dead
So leave my soul alone
I don't need no surgery
Take those knives away from me
I just wanna die in my own body
A ghost just needs a home

Oh have you seen my ghost? Seen my ghost...seen my ghost?
Oh have you seen my ghost? Staring at the ground
Oh have you seen my ghost? Seen my ghost...seen my ghost?
Oh have you seen my ghost? Sick of those goddamn clouds

Na na na na na na na na
Na na na na na na na na
Na na na na na na na na
Na na na na na na na na

Oh have you seen my ghost? Seen my ghost...seen my ghost?
(Na na na na na na na na)
Oh have you seen my ghost? Staring at the ground
(Na na na na na na na na)
Oh have you seen my ghost? Seen my ghost...seen my ghost?
(Na na na na na na na na)
Oh have you seen my ghost? Sick of those goddamn clouds
(Na na na na na na na na)

Na na na na na na na na
Na na na na na na na na
Na na na na na na na na
Na na na na na na na na
