

Within Temptation, All I Need (Black Symphony)

Im dying to catch my breath
Oh why dont I ever learn?
Ive lost all my trust,
though Ive surely tried to turn it around

Can you still see the heart of me?
All my agony fades away
when you hold me in your embrace

Dont tear me down for all I need
Make my heart a better place
Give me something I can believe
Dont tear me down
Youve opened the door now, dont let it close

Im here on the edge again
I wish I could let it go
I know that Im only one step away
from turning it around

Can you still see the heart of me?
All my agony fades away
when you hold me in your embrace

Dont tear me down for all I need
Make my heart a better place
Give me something I can believe

Dont tear it down, whats left of me
Make my heart a better place

I tried many times but nothing was real
Make it fade away, dont break me down
I want to believe that this is for real
Save me from my fear
Dont tear me down

Dont tear me down for all I need
Make my heart a better place
Dont tear me down for all I need
Make my heart a better place

Give me something I can believe
Dont tear it down, whats left of me
Make my heart a better place
Make my heart a better place
