

# Within Temptation, Overcome

Where are the heroes  
I my time of need  
Is my crying abandoned?  
Or have they gone  
Oh no

They just tend to stand  
Out of the rain  
Thinking but not acting  
That they're not to blame

Falling and crawling  
A fight to stand up  
Memory still haunts me  
In the dead of night

Over and over  
I felt so small  
But one day I'll be stronger  
And you better watch out

[Chorus:]  
I will overcome  
In violence there's silence  
Oh no,  
It can't be undone  
I will overcome  
Knowing that I'm not the only one  
I will overcome  
It's the only way to carry on

Where are the saviours  
Afraid of the toll  
Sorry do my nine inch nails  
Slash your soul?

Such heroes  
Throwing stones  
Straight at the one  
Who is standing alone?

Twisting and turning  
It's always the same  
The truth is never honest  
When you're to blame

Pushing and pulling  
Never give in  
One day I wish  
You see you're not so beautiful within

[Chorus]

Run and run  
Run and run

[Chorus]

I will overcome
