I guarantee you leave the club with us you won't be the same  
They can't help it c'mon these bitches know it's The Planes  
Let all my money talk for me, what more can I say  
That money will be seen, as soon as I put my key  
You put your key in, money we'll be seein'  
We'll reach the fuckin' ceilin', yeah yeah yeah yeah  
I put my key, you put your feet in, money we'll be seein'  
We'll reach the fuckin' ceilin', yeah yeah yeah yeah

My car ride by without the boomin' system  
I'd rather spend that loot on my engine  
Oh, hail to the chief, I been one hell of an Indian  
But settling in tepees ain't sitting' well with me see  
I need plenty green acres  
And EZ Wider papers  
Got the OG game in me Sega Bulls vs. Blazers  
To the left I played her, but you treat her right  
Sucker what I get in one night  
You wait a couple months for  
You love her, I cut up  
She woke and I was gone, only weed crumbs on the cover  
Yeah Spitta did her like that  
Just like I said it in my raps  
Respect it, don't I keep it real?  
Said I fuck you good and disappear, ain't that what I did?  
Niggas talkin' down on The Planes better shut up  
I'm fed up, waitin' on valet to pull my 'Vette up  
You better get up  
Tryna be cute bitch I'mma leave you  
Her home girl she said "please" too  
She no crazy

Drunk nights going through my phone  
Tryna figure out which one I want to get at  
You already home cookin' and grinding' my weed for me  
I just left the club but I'll be there in a minute  
Take the lock off the door  
And that way you won't even have to listen for me  
Oh yeah, and leave some light on in the kitchen darlin'  
I mess with the baddest hoes  
Gotta go overseas to buy their clothes  
Trees she got 'em rolled  
Don't gotta deal with jealousy cause she not involved  
Ain't trippin' on her man cause she got her own, yeah  
Independent as can be still I'm the one they're calling  
Be there then I'm in the wind, no breakfast in the morning  
Fill, I'm in and out like it's fast food  
People get to know me say I'm more than just a rap dude  
Pay the cost to be the boss - no tax due  
Now my money feelin' like it's tattooed
