

# Wiz Khalifa, Call Again

Time to time  
I tell 'em I don't love 'em I just fuck 'em  
Then I move on to another one, pass 'em to my brother  
Get that pussy under cover, got her ass from her mother  
Got my weed straight from Berner, you a nerd so you cuff her  
I could hardly trust these bitches I learn they no sucker  
On that gas like a trucker, smack the ass when I fuck her  
I get plenty love, it's all of the above  
I'm on Gin and drugs, give me some  
Then it's straight to the club, pockets fillin' up  
Niggas love tryna hate on us, they ain't real enough  
Always fill the building up, young and I'm rich as fuck  
Text your bitch, I ain't tryna "Netflix & Chill" with her  
I'mma roll a joint, give her the best dick she ever had  
She don't fuck then I'mma get her bestfriend instead of her  
My cash is irregular, I bag bitches everywhere  
Got some clothes still got on the tags that I don't never wear  
You in last smokin', doin' dabs, I run through the cash

They tryna argue nah they lay with all this foreign  
You don't believe a word, you hear us all the same  
You been here time to time, you heard it all before  
After I fuck you once I'll never call again

These bitches be like  
Dick hoppin', clique hoppin' for better positions  
Pillow talking to any nigga payin' attention  
They on a mission tryna fog up a players vision  
Fuck then I'm finished, before you leave bitch go clean that kitchen  
I ain't gon lie oh yeah the Chacho was a victim once  
Before that happened again you will catch me smokin' blunts  
And all I do is papers, all I'm bout is paper  
Love you for the night, tomorrow we are strangers  
You ain't gotta call cause I ain't  
Textin' "Can we kick it?" no reply  
You text again like I thought we had a connection  
I text back "Bitch I ain't that type of guy"  
Gang over everything  
Taylor, Diamond Lane we the reconnected  
Bombay and bomb dick bitch is better then expected  
Bossed up, fuckin' top so you better not disrespect it  
Compton to the fuckin' burbs we connected  
Hit the exit

They tryna argue nah they lay with all this foreign  
You don't believe a word, you hear us all the same  
You been here time to time, you heard it all before  
After I fuck you once I'll never call again
