

Wiz Khalifa, Don't Text Don't Call (feat. Snoop Dogg)

Don't text don't call
Cause I don't wanna see you tomorrow
I don't wanna see you tomorrow
Don't text don't call
Cause I don't wanna see you tomorrow
I don't wanna see you tomorrow

You like to be the only one
Don't want to be like my other bitch
Don't ever lie to you I always keep it G
And don't do sucker shit
You knock me down pick me up pick me out put me on the street
Next time we fuck please don't call
I got a new one that wanna roll with me

Don't text don't call
Cause I don't wanna see you tomorrow
I don't wanna see you tomorrow
Don't text don't call
Cause I don't wanna see you tomorrow
I don't wanna see you tomorrow

Bitch I know you ain't in love with me
If it wasn't for my doggy style you wouldn't even fuck with me
Cut her off ain't nothing to a G
Seen that punk bitch from across the street
See I don't mean to be disrespectful
But if you come with some bullshit I'mma check you
Straight get you right and if you don't I left you
Sittin in the dust cause I could never trust

All about the paper there's no discussion
Cup full of indigo good kush I'm crushing
She a ride or die bitch that meets no question
Gold rails back to back like we both wrestling
Girl you know where I'm from and you know where I'm stepping
Blessed with all styles of the game so I'm destined
To bust moves dog pound's what I'm repping
So if you're not giving top get the fuck out my section

Don't text don't call
Cause I don't wanna see you tomorrow
I don't wanna see you tomorrow
Don't text don't call
Cause I don't wanna see you tomorrow
I don't wanna see you tomorrow

Don't hit my line up (hey)
Cause I'm high (yessir)
Don't hit my line up (hey)
Cause I'm high

Don't text don't call
Cause I don't wanna see you tomorrow
I don't wanna see you tomorrow
Don't text don't call
Cause I don't wanna see you tomorrow
I don't wanna see you tomorrow
