This is for them rich niggas that be gettin' paper  
All I do is ball, nigga, that's my human nature  
This is for them niggas who know that they got strong pack  
If it ain't strong, we don't blow that  
If it ain't strong, it's gon' go back  
Money so long, that shit throw-back  
And my nigga, this shit paid for, I don't owe that

Monroe, Taylor Gang's .44, four door (Door)  
For dough, four more coupes then blow mo'  
It's about to go down like a credit score  
Your broke ass can't even use debit, whore  
Versace decor from the bed to the floor  
Have several seats or exit door  
Pussy sweet, shoe mean  
We ain't gettin' money, 'chu mean?  
Whole time your pockets' tighter than a new weave  
Fuck 'em, we gon' roll up like two sleeves  
Taylor Gang, we down to bang  
Y'all pussy weed blanks from failure range  
They could never duplicate my Taylor frames  
It's the Taylor ring, got a Taylor dame  
For this cheese, oh snap  
And focus on my headshots  
And I ain't never loafin', you won't catch me with bread knots  
Eenie, meenie, minie fuckin' mo  
All these birds be goosin', so I be duckin' hoes

Hey baby, it's me  
Um, I know you out there performin' right now, but  
I just wanted to leave you a little message  
To let you know how much I love you  
And I miss you  
And I wish you were home with me right now  
But I'm so proud of you  
And I'm so happy that you're doin' so well out there  
I miss you baby, I miss you so much  
I can't wait to see you  
I love you, mwah, bye
