

# Wiz Khalifa, Low Ridin' Freestyle

Yeah, it's young  
Rostrum Records, Heavy Hustle, Warner Bros  
It's Mr. Khalifa Man, Khalifa Gang, Taylor Gang or Die  
And don't swagger jack me tho, ask for it

Picture me south west PA, on my way to LA  
Blackberry going nuts, them goes be calling all day  
They know I got what you need for ya  
Critics know my flow is coke, I got that Medellin for ya  
And I be riding all day, in my low rider  
I get high like elevators, but this ain't Flo-Rida  
No writer can't compare, my swag on 100  
I'm so fly I'm in the air, I'm like a young superhero  
Wanna ride with the kid? Everything tatted  
From my neck to my hands, wanna star then you got it  
Gotta charm full of stones, a belt full of phones  
Pockets glowing out with money, Gibson linen in my home  
Yeah

However far away  
I will always love you  
However long I stay  
I will always love you

However far away  
I will always love you  
However long I stay  
I will always love you

I be out of state pimping, different cities going hard  
Bottles getting ordered, when you see me and my squad  
Rolling weed up in cigars, you smoking that garbage  
If you seen what's in my blunt, you wouldn't even wanna spark it  
I'm smoking that [?] I'm high all day  
Little mommy got a body I can slide in all ways  
That's why I want to blaze with ya (blaze with ya)  
You ain't gotta worry 'bout a thing you with young Khalifa

However far away  
I will always love you  
However long I stay  
I will always love you
