If you ain't all the way down then get from round
Jogging pants I run the town
My home girl dancing in the ace so she making money now
I like a hustling ass bitch so we fucking now
79 Malibu make it bunny hop
To the dog house that's the money spot
I run up in there get my money
Really living what I'm talking bout
The driveway look like a parking lot
I block my own Bentley and I got to let myself out
Built this empire myself without all the fucking handout
So fuck what a pussy nigga crying bout
Jetlife, Taylor Gang til' he carry me out

My dawgs scroll up, my dawgs roll up
Your dawgs ain't loyal, your dawgs fall short
Man them niggas ain't my nigs
Man them niggas ain't my dawgs
Man them niggas ain't my nigs

Man them niggas ain't my dawgs
My dawgs on point, my dawgs don't slip
Your dawgs won't call, your dawgs gon' flip
Man them niggas ain't my nigs
Man them niggas ain't my dawgs
Man them niggas ain't my nigs
Man them niggas ain't my dawgs
