Girl I'm taking you home  
You know the Hustla get it in off 10 shots in the zone  
Now I'm all in the zone and I'm ready to smash  
Them patron shots make you wanna give it to Kev  
Had you all in my car, yea girl I'm a star  
We getting money over here, blow a ray by the bar  
Smell the smoke in the air, get ya pussy to pop  
Brake it down baby yeah, get them niggas to watch  
Get a look at the watch  
The face big than a bitch  
From a couple of flips, a lot of work on the strip  
I used to be on a shift  
Now I'm all on my own  
Now money's first, after that it's pussy weed & patron

(Yeaaaaaaaaaaaaah)

If she like it, then I love it  
That patron what I fill up my cup with  
Shades on, got a blunt lit  
And that ray what I'm filling my lungs with  
I look like money, you know just who we are  
Shorty let your hair down  
You're rollin with a star  
Wear my city round my neck, my watch a couple grand  
Can you tell I'm fucked up? Now watch me do my dance  
I hit the club & pull stunts like Steven Seagal  
And if the bitch ain't tryn' fuck she tryna leave me alone  
You could see what I'm on  
All I need to be gone is pussy please a bout a quarter pound of weed & patron
