Wiz Khalifa, Paper Callin

Oh, oh, ooooh Oh, oh, oh Oh, oh, ooooh

Back better than ever Ask me what I'm doing, I've been stacking, autographing Smoking tree with your girlfriend if she let us Making sure my bags packed for any weather Tighten up, your team starting to let up Assembly need to get it together I remember there was days I wasn't able to change clothes Now I never wear the same clothes Same goes for my bad bitch, rich and her accent thick But her ass ain't, she'll carry my last name Still a step I'll never miss, I'm on this cash chase Ballin' off the glass change Jordan, me and my gang running the game You niggas just tryna find what the score is I can hear that money callin' Ain't in the position you're in, can't ignore it I'm all in

And they sayin' that we changed
Homie, they don't know as much as they think they know
(As much as they think they know)
And you know I love to stay with you
But I gotta go, baby I hear that paper callin'
(Paper callin', paper callin')
Another day, another plane
Baby girl, I hear that paper calling
(Paper callin', paper callin')
I'm going out the door as soon as that paper call
(Paper call, paper call)
