

Wiz Khalifa, Peace and Love

Yeah (yeah), uh-huh (uh-huh)
I don't even know (I don't even know)
How we get here (how we get here)
Hahahaha (hahahaha)
Yup (yup)
The big two (the big two)
And the big heart (and the big heart)
I'm rollin' something, so I know what the feeling's 'bout
I know you got dreams, so it's time you live it out
We was outside, they was in the house
Got so much game that I wanna give it out
My ten year old at home the only thing I spend about
And you ain't gotta make a choice right now, just feel it out
Make your worst your best day, rollin' papers essay
Get this money, let's save
See a hater, let's wave (let's wave, let's wave)
Let's wave (let's wave, let's wave)
See a hater, let's wave (let's wave, let's wave)
Let's wave (let's wave, let's wave)
I can't help but give this love away
We arrived here and we don't know how
On the way, hope I don't let you down
Lotta favors done, but who's keepin' count?
What's wrong with peace and love right now? (Right now, right now, right now...)
What's wrong with peace and love right now? (Right now, right now, right now...)
What's wrong with peace and love right now? (Right now, right now, right now...)
And I ain't tryna turn it down
What's with it? Don't get nervous now
Know your purpose, you been here for days
Ain't goin' nowhere
See a hater, let's wave (let's wave, let's wave)
Let's wave (let's wave, let's wave)
See a hater, let's wave (let's wave, let's wave)
Let's wave (let's wave, let's wave)
I can't help but give this love away (this love away)
We arrived here and we don't know how
On the way, hope I don't let you down
Lotta favors done, but who's keepin' count?
What's wrong with peace and love right now? (Right now, right now, right now...)
What's wrong with peace and love right now? (Right now, right now, right now...)
What's wrong with peace and love right now? (Right now, right now, right now...)
Fallin' from the clouds
Findin' no one's there
That's exactly when you need me
Now we're in the air
We arrived here and we don't know how
On the way, hope I don't let you down
Lotta favors done, but who's keepin' count?
What's wrong with peace and love right now? (Right now, right now, right now...)
What's wrong with peace and love right now? (Right now, right now, right now...)
What's wrong with peace and love right now? (Right now, right now, right now...)
Y'all know nothin' about that
What's wrong with peace and love right now? (Right now, right now, right now...)
But I'ma show you about that, real quick
What's wrong with peace and love right now? (Right now, right now, right now...)
It's a Taylor thing
What's wrong with peace and love right now? (Right now, right now, right now...)
Yeah, yup, hahaha
What's wrong with peace and love right now? (Right now, right now, right now...)
Uh
