

Wiz Khalifa, Real Rappers Rap

remember back when nigga
rolled up blunts instead of papers
wasn't too many heaters
just a couple fools I had problems whit
and if I seen 'em
it was a while
before I got 'em but at least I copped 'em

sunk in my seat
rolling up whit some wild ones
putting niggas on
we the ones that you got your style from
I was focused on letting the money pile up
sending it back yo
this pack ain't loud enough
