

# Wiz Khalifa, What's The Play

I'm a boss in the game  
I deserve six rings  
I go hard in the paint  
They wanna know my number and my name  
They swear to God I got a cheat code  
I'm going for the three  
This shit is easy like a free throw  
I go beast mode  
Ballin' on 'em  
93 Mike Jordan on 'em  
Swish nigga  
It's all in the wrist nigga

And we aim for the top everyday just to change our lives  
Know the name, know the game  
Know the things that they ain't gon' like  
Not afraid to express what it takes so we made our own way  
You not in the game, I call shots in the game like...

Huh what's the play  
Yeah what's the play  
What's the play  
Huh what's the play  
What's the play  
Yeah what's the play  
What's the play  
Huh what's the play

I'm on my Wayne Gretzky  
I got so much ice on  
Smoking on that strong pack, strong pack  
Hit it hard, Mike Tyson  
Sliding home plate, safe  
Paid in full just like ace  
But I ain't working at the cleaners  
I get that pack and serve it like Serena  
Ballin' on 'em  
93 Mike Jordan on 'em  
Touchdown  
We got the club going up  
I'm bout to roll something up

And we aim for the top everyday just to change our lives  
Know the name, know the game  
Know the things that they ain't gon' like  
Not afraid to express what it takes so we made our own way  
You not in the game, I call shots in the game like...

Huh what's the play  
Yeah what's the play  
What's the play  
Huh what's the play  
What's the play  
Yeah what's the play  
What's the play  
Huh what's the play
