

# Wiz Khalifa, WTF

If I brought it out the crib that mean I'm spending everything  
What we doing, getting money  
How we do it, every day  
Order case, tell the bartender we need thirty more  
Nig if you ain't spending money what the fuck you in here for  
In here for, what the fuck you in here for  
Nig if you ain't spending money what the fuck you in here for  
In here for, what the fuck you in here for  
Bitch if you ain't trynna fuck then what the fuck you in here for

You know me no I don't talk my nig I be about it  
Can't even count it, need an accountant  
I'm rich so now my bitch is bad I need a stallion  
Ain't trickin', I just treat her like she need allowance  
Smoke the whole pound, man we gone need an island  
Keep my toys in the garage so bitches think I'm childish  
Oh, I got money you could keep your talent  
You ain't even getting money you just be around it  
Engine screaming when I run it  
Waking neighbors when I'm coming  
Here'em talking but they don't want it, them niggas frontin'  
Smoking loud they shit you smoke ain't sayin' nothing  
Them niggas talking shit but they ain't sayin' nothing

If I brought it out the crib that mean I'm spending everything  
What we doing, getting money  
How we do it, every day  
Order case, tell the bartender we need thirty more

Bitch if you ain't trynna fuck then what the fuck you in here for

Diamonds all up in my chain, it's like an avalanche  
Nigga tryna race my car, man he don't stand a chance  
Everything is all on us, that mean you gotta know  
Bitch if you ain't tryna fuck, that mean you gotta go  
Drinking liquor smoking weed, and ballin' everyday  
Making money fuckin hoes, I'm repping Taylor Gang  
That nigga, they telling me I'm that nigga  
Like the room's full of white folks, I'm that nigga  
If you ain't talking money I can't even rap with you  
Major cake but niggas hate because my stacks bigger  
Raw papers, long ones  
Fucking with them Taylors boy you got the wrong one
