Line of the smoke in my hair  
See an opp, shoot him dead first  
Stripper section, nigga, lot of cash  
So she go grab the meds first  
So she go grab the meds first  
Then I go grab the bed first  
Said she do it big for her family  
R.I.P. to the dead homies  
R.I.P. to the dead homies  
Now I'm drippin' with the feds on me  
Hair drippin', deads on me  
Hair swingin', sippin' meds on 'em

Now different colors of the cola  
Have some burnt niggas in the closet  
Sippin' lean, and I can't stop it  
Go hard nigga, no title  
Nobody in this buildin' fuck with me  
Niggas, niggas, know I got it  
Pull up, blast the heat  
Talkin' like you 'bout it, 'bout it  
I blast the heat, talkin' like Master P
